AUGUST
Speaker

MARILYN BOUCHER

Program: CPR for your Orchids

You water, fertilize, repot and carefully tend your orchids. You watch for the pests and diseases and even know a trick or two. STILL your plants refuse to bloom, or worse, look like they are jungle collected. What can you do? What **should** you do? Do you just give the plants a toss into the garbage? Do you start over, or just quit? Bring your sick, tired and bedraggled plants to the August meeting. SCOS' own Marilyn Boucher, owner of Watchwood Orchids, is going to teach us how to administer CPR to our plants. She will use some plants from the audience for demonstration and will offer practical solutions for growing healthy, blooming orchids.

Don't miss this one !!!

Opportunity
Table

To be provided by our speaker, **Marilyn Boucher**, from her gardens in Pt. Arena. Cattleyas, Oncidium, masdevallias and various hybrids & species.

Skill Session

There will be no Skill Session at this month's meeting

JULY Speaker
Review

Stephen Monkhouse, owner of Adelaide Orchids in Woodcroft, Australia, shared his expertise on hybridizing Zygopetalum orchids. His slide presentation emphasized the rich results of his 32 years in the business. The opportunity table was filled with the fruits of his labor – we can hardly wait to see them bloom, which he assures us will be soon! Thank you, Stephen. It was a treat to hear you speak, mate!

SCOS JULY
Board Meeting
Summary

Board Meeting: Due to unexpected circumstances, the July Board meeting was postponed until July 31st, well after the Newsletter deadline. This feature will return next month...

SONOMA COUNTY ORCHID SOCIETY

- ➔ The Sonoma County Orchid Society meets the 2nd Tuesday of every month.
- ➔ Plant sales begin at 6:45 p.m., ending when the speaker begins the presentation.

The Society provides an opportunity for any member to sell plants or material (with a 20% commission to the Society). A reminder to all members that any plant material offered for sale at the Society meeting must be approved by the Society. Pre-arranged pick-up of plants or materials is OK and does not have to go through the Society. Plant owners assume all risk and responsibility for their property. Your members binder has additional information.

The **Skill Session**, when scheduled, is held at 6:45 p.m. in the front of the room or in a separate room at the front of the building. The location will be announced in the newsletter and a sign will be posted at the meeting. **Announcements** followed by **Show-and-Tell**, begin at 7:30 p.m. The **Speaker** will begin after Show-and-Tell (approximately 8 p.m.) Refreshments and opportunity plant drawings occur after the speaker's lecture concludes.
